WHAT MAKES OUR FACE MASKS SO SPECIAL?

They are made within our workshop of JHD Interiors, using a fabric that has been specifically designed in response to the fight against Covid-19. The fabric includes properties such as:

- High Filtration (BFE 90,7%) - repels water and microdroplets, acting as a barrier for viruses and bacteria.
- Strong finish with non-stick and repellent properties.
- Skin Friendly: Oekotex 100 certificate
- Breathable: UNE 0065 certificate
- Composition: 100% Cotton - 115 gr/m²
- Washable for at least 20 times.
- Available in Adult and Child Sizes.
- Also available with embroidered personalised logo/name
- Available with a patterned fabric outer layer *(Other designs available. Subject to availability.)*
- Aprons also available.

The personalisation option makes them perfect for companies or for your family. No need to worry about your children getting theirs mixed up, when they can have their name embroidered onto the front or even choose a patterned outer layer.
