JHD INTERIORS - UNIT 1 & 2 TILIA COURT - RACKHEATH - NORWICH - NORFOLK - NR13 6SX

Like you, we are incredibly grateful for all that the NHS is doing and has already done in this current crisis. They need supporting at this time, so we have got some new products that you can use to help them, by slowing the spread of the coronavirus.

We are also working on more products that will be available soon.

BACK TO WORK/FITTERS HYGIENE KIT

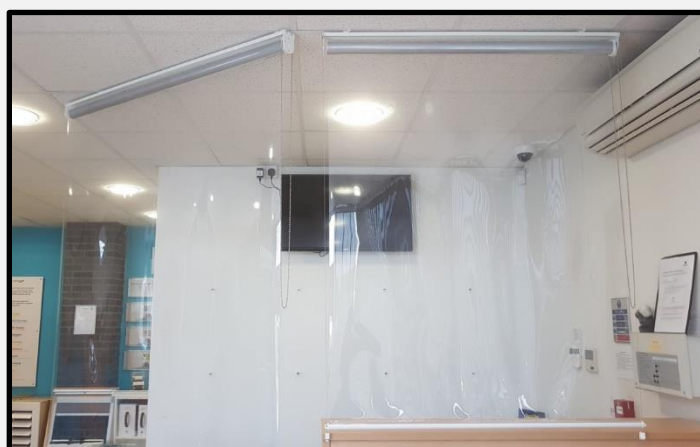

Make sure you're ready to get back to work and return to fitting in your customer's houses! Or ensure the safety of your customers and staff in the showroom. This kit contains all you need.

- Uniwipe Clinical Wipes (100 pack) - Supersize and heavy-duty, they're made from low-lint, micro-fibre fabric, able to trap dirt and kill bacteria.
- Alcohol Hand Sanitiser Spray 250ml – 80% alcohol formulation
- Disposable medical masks (10 pack)
- Disposable powder-free vinyl gloves (100 pack)
- Disposable overshoes (50 pairs)
- Safety glasses – clear lens
- High Visibility Vest size L – 'SOCIAL DISTANCING – KEEP 2M APART' printed on reverse of vest

Please note style/brand may vary.

Pack of 1 - £85.00

Pack of 5 - £400.00 (£80.00 each)

COVID ROLLER SHIELD

Protect your customers and employees from the spread of Covid-19 with this transparent roller blind. Perfect for use on shop counter tops or between workers to stop the spread of aerosols from coughing and sneezing.

- Can fit directly to suspended ceiling grids with simple clips or to a solid surface. The rigid back bar enables easy fitting almost anywhere!
- Includes back bar and side guide wires as standard.
- Chain operated.
- The PVC can be easily washed to keep it clean of germs.

700mm x 1500mm - £180.00 each

700mm x 2200mm - £185.00 each

1400mm x 1500mm - £200.00 each

WASHABLE FACE MASKS & APRONS

These products are made within our workshop of JHD Interiors. Using a fabric that has been specifically designed in response to the fight against Covid-19. They include properties such as:

- High Filtration (BFE 90,7%) - repels water and microdroplets, acting as a barrier for viruses and bacteria.
- Strong finish with non-stick and repellent properties.
- Skin Friendly: Oekotex 100 certificate
- Breathable: UNE 0065 certificate
- Composition: 100% Cotton - 115 gr/m²
- Washable for at least 20 times.
- Available in Adult and Child Sizes.
- Also available with embroidered name or company logo.

	<i>Test Method</i>	<i>Results</i>	
Abrasion Resistance (Cycles Martindale) applied 12kPa [cycles]	ISO 12947 - 2:2016	12000

Important information

The Health Authorities ensure the total elimination of the COVID19 virus in the fabrics with a simple household wash (30°C) and the use of ordinary soap. In addition, this fabric allows the use of bleach for an additional guarantee of disinfection.
